

SHRI VASANTRAO GULALKARI RISE CENTRE

We Are Here to Build

Thinkers

Innovators

Researchers

Makers

Leaders

What is VG RISE CENTRE?

VG RISE CENTRE is a common platform created to bring research, innovation, skill development and entrepreneurship together under one roof.

It is designed for:

- Students who want more than classroom learning
- Faculty who want to research, innovate, and collaborate
- Institutions that want to stay relevant in a fast-changing world
- Industries in Vidarbha that want to stay relevant and competitive in the global market
- Aspiring entrepreneurs seeking mentoring and guidance

Research

Finding answers, exploring new ideas, publishing work and creating intellectual property.

Innovation

Identifying the unique local problems, providing prototype solutions and scaling solutions for the real world.

Skilling

Imparting industry-relevant skills that lead to confidence, competence and employability.

Entrepreneurship

Supporting startups, mentoring ideas and helping students take their first step as founders.

What happens inside VG RISE CENTRE?

VG RISE CENTRE is a multidisciplinary platform. It acts as a bridge between Academics and Industry.

- Hands-on projects in AI, IoT, Robotics, EV, Smart Agriculture, smart Healthcare, Smart Home and more
- Hackathons, ideathons, competitions and innovation challenges
- Research projects, publications and patent support
- Internships, industry exposure and real problem-solving, hands on experience
- Startup incubation, mentoring and market guidance
- Interdisciplinary research across institutions
- Support for funded projects, patents and publications
- Industry and academic collaborations
- Platforms for conferences, seminars and knowledge sharing

Inside the Centre

- Research and innovation labs
- Skilling and prototype development spaces
- Startup incubation and co-working zones
- Seminar halls, meeting rooms and collaboration areas

Why VG RISE CENTRE Matters?

Because education builds strong foundations of knowledge. Today's industry values the ability to apply that knowledge.

VG RISE CENTRE enables learning through real-world experience.

VG RISE CENTRE strengthens:

- Research culture across the institutions of Shri Shivaji Education Society
- Industry-ready skills and employability
- Innovation and entrepreneurship mindset
- Collaboration between academia and industry

Impact Beyond Campus:

- Encourages innovation in Vidarbha region
- Creates opportunities for youth, women and marginalized communities
- Supports government initiatives and regional development
- Builds reputation of future-focused education and training ecosystem

The VG RISE Belief:

When students are given the right environment, their ideas grow into solutions and startups, leading to meaningful economic and social impact.

Thank You

VG RISE CENTRE
